Praise the Lord that every day we live, we serve an eternally risen Savior! We hope that everyone was encouraged this April while celebrating the resurrection of Jesus Christ our Lord. On Resurrection Sunday, we were blessed to be visiting Victory Baptist Church in IN. We enjoyed wonderful fellowship, and experienced a wonderful answer to prayer when someone from the church gifted us MANY Portuguese CD lessons! We have already begun these lessons, and can honestly say they have been very helpful! It is so neat to see how similar yet different Portuguese is from Spanish.

At the beginning of April, Celina had another appointment, and all seems to be very well with the continued growth and development of little Julianne. She is about 2 pounds and over a foot long now! It is truly amazing how God creates life in the womb! Please continue to pray for Celina and the baby as we are still doing a lot of traveling. We hope to be more stationary by June.

This month specifically the Lord really blessed us with seeing not only seeds planted and watered, but also God giving the increase. 2 men and 1 teen received Christ as their Savior! Two of those names are Lionel and Raul (teenager). Please pray for these new believers, that they would grow in the Lord, and get in a good church that would help them to do so. Out of the three that accepted Christ, two are Spanish speaking- (keep those Spanish tracts on hand!)- there are so many Hispanics we run into every day who are so confused about the one way to salvation! There were also many who heard, but have not yet received the gift of eternal life. Please pray that Gladis, Oscar, and many others would soon be saved. I asked you to pray for Brennan to be saved last month. **I asked if he had prayed and asked Christ to save him yet and he said that he did! Pray for his family and his girlfriend's salvation; in addition, pray that he would get baptized and attend a good Baptist church!**

We also want to praise the Lord and thank those churches who took such good care of us once again this month of April. So many went the extra mile to be a blessing to us. We enjoyed being in each church we've visited this past month. Whenever your church doors are open, determine to be there as well as with your family if you are physically able. Conferences, Sunday school, Sunday night, and Wednesday services--It always is a blessing to be around God's people every time you get the opportunity! Thank you, family in Christ, for taking care of your missionaries! We are now at 84% of our support, only by the grace of God and your faithful prayers and support. God Bless! Celina and I just celebrated her birthday--Thank you for all the birthday wishes and cards!!

Celina and I listen to a Christian radio station regularly that has preaching and music on it. One of the pastors challenges the listeners to do three things every day: (1) Pray, (2) Read/Study the Bible, and (3) Tell someone about Jesus. We want to challenge you to do the same thing--if you spend time with God **every** day and tell at least one lost person about Christ **every** day, God will grow your faith tremendously!

God answers prayer!! Read the amazing promise we have in 1 John 5:14,15! *Additional prayer requests:*

Salvation of lost souls including Joe, Gladis, Oscar, and Brennan's girlfriend/family (1 Timothy 2:1-8)(Luke 18:1-8)

Spiritual growth of new believers:

Calling forth of more laborers to the mission field and for us to stay faithful to the Lord (Luke 10:1,2)

Healthy pregnancy and birth (due July 23) and salvation of Julianne at an early age

In Christ,
