Happy Valentine's Day to all of our supporters! We hope that you enjoyed some time with those God has placed in your life to love and care for, and most importantly, that you had some time to reflect on the fathomless and matchless love of our Lord and Savior Jesus Christ. What a huge blessing February was for us! **We were able to have an appointment and ultrasound done for Celina, and we praise the Lord as we report that her tear is completely healed!** I am so excited that **Celina is back on the road** with me, and we are so thankful that she is starting to feel **less sickness** as she is now **5 months pregnant** and due July 23. We also are very excited

to announce that **Celina is having a girl!** We have already chosen her name as well: Julianne Elina Nalty. **Please fervently pray for a healthy daughter and healthy Mom, but most importantly, please pray now that our little girl would understand the gospel message (1 Cor. 15:1-4) at an early age and trust in Christ alone as her Savior to be part of the family of God (John 1:12). In addition, that she would bring honor and glory to God, loving Him with all of her heart, soul, mind, and strength.**

Our calendar was full this month, and we thoroughly enjoyed every conference and service we were able to be a part of. Thank you to all those who cared for us so generously! We praise the Lord that we are now at 60% of our support! We also thank the Lord for **His protection** as we drove through many a snowy

day- His hand has been so evident! **Please pray for the salvation of Jay, as well as those who received a gospel tract this month.** When I was at Walmart and had the opportunity to pass out some tracts, a worker came to me and said what I was doing was highly illegal, and that he would report me if he caught me doing it again. **Would**

you pray for him and so many others who have a hardened heart towards the Gospel of Jesus Christ? We know there is still hope for hardened people such as this, for look at the life of Saul, who later was converted to Paul! The blood of Jesus Christ can save ANY, and he alone is sufficient! We praise the Lord that we enjoyed some very refreshing fellowship at the end of February. It was a very busy couple of days, but **we got to see Celina's parents, her sister, and my two brothers.** We heard an answer to prayer that **TWO people signed contracts to teach** in their school for two years. **What an amazing God we serve who provides laborers when we pray!!** (This has been a prayer

request for several months and there is always a need still for more!) God is good. We gave a complete Bible (with a few different Bible tracts inside) to a Hindu who was working at a gas station. We placed each tract in strategic places as bookmarks and told him to start reading where we put the pamphlets (John, Romans, and Ephesians). **Pray that he would read the tracts, understand that all have sinned and come short of the glory of God, recognize that the wages of sin is death (hell) and that his good works cannot save him, and believe on the Lord Jesus Christ as his personal Savior to save his soul.** Thank you for your prayers! Also, God worked by providing a "contact" for Mozambique (also a previous prayer request answered!) Continue praying for more!!

Additional prayer requests:

1. **Salvation of lost souls mentioned in previous letters**
2. **Calling forth of more laborers, specifically during these missions conferences.**

In Christ,
