We have countless blessings to praise the Lord for in March! Psalms 136 mentions in every verse that "His mercy endureth for ever!" Lamentations states that "it is of the LORD's mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness." Thank you so much for praying for us— **God has encouraged us many times this March.** We are now 75% supported- all praise be to God! We have **another doctor's visit** coming up April 7<sup>th</sup> for Celina and Julianne. **Pray that all goes well with this appointment.**

March is missions conference "season" in which many churches have missionaries come to present their fields. **Praise the Lord that a teenager came to me during a missions conference and said that He thinks the Lord may be calling him as a missionary!** What an answer to prayer (Lk. 10:2)! We were blessed to visit Washington D.C. while we were nearby. God allowed us to see many historical sites. In addition, God provided a believer who took us inside the Museum of the Bible and took care of our admissions fees and extra costs (**\$70 that was "waived"!**). We were so blessed also to see a **group of Korean believers standing outside of the Lincoln Memorial, with handfuls of gospel tracts**- we really appreciated their obedience to the Lord's commandment to preach the gospel to every creature (Mark 16:15). We need God's help to be diligent to do the same!

We were so excited to hear this month that **a young man whose parents go to my church received Christ as his Savior and just got baptized!** If you have children or grandchildren who are unsaved, keep fervently praying for them and showing them the love of Christ- your fervent and faithful prayers are not in vain! Please also pray for Joe and Brennan- I was able to give a clear Gospel presentation to them, and they were very receptive- **please pray that Joe and Brennan come to a full and personal understanding of the Gospel, and that they would each receive Christ as their personal Savior** if they have not yet. While we were soul winning with a church, the pastor shared afterwards that he was able to share the gospel with a man who went to church with his grandma when he was younger. After listening, **he trusted in Christ as his Savior** and now he is on his way to heaven! God is still saving souls today, but we have to personally set aside time to tell lost souls about Christ who died in their place (John 3:16).

Also, **please pray for the Goins family**, missionaries to Honduras. As we are sure many of you have heard, their son Jadon was killed in an accident while studying at Pensacola Christian College. His family was close and dear to Celina's family. **Please pray for continued comfort and grace from the Lord.**

We also want to praise the Lord for yet **another contact (the Balabags) in Mozambique and a couple others thinking about Mozambique Missions!** The Balabags are from the Philippines. We are always so excited to hear of other laborers in Mozambique, as there are so very few- **please pray for more!** God bless you, and enjoy celebrating the resurrection of our Lord Jesus Christ!

Additional prayer requests:

**Salvation of lost souls including Joe and Brennan (1 Timothy 2:1-8)(Luke 18:1-8)**

**Calling forth of more laborers to the mission field and for us to stay faithful to the Lord (Luke 10:1,2)**

**Healthy pregnancy and birth (due July 23) and salvation of Julianne at an early age**
