August was a wonderful month of answered prayer and of God's grace! God answered prayer for fast paperwork when we received Julianne's social security card shortly after writing last month's prayer letter AND when her birth certificate arrived August 24th! God is so good! This is a huge step toward us going to Mozambique. Thank you for praying for this! In addition, we went to Walgreens and got her passport picture and applied for her passport. Please pray for the rest of the paperwork!

God also showed His marvelous grace on Sunday, August 20 by saving a young lady named Gloria after the morning service!! Gloria told herself

that it was time to start seeking God after she had been living for this world and for herself. She attended the Wednesday service on the 16th and came back Sunday morning the 20th. After the message, Gloria asked if she could talk. After explaining the gospel to her and asking her if she would like to accept Jesus Christ as her personal Savior, she said she wanted to pray to ask God to save her. So she went by herself into the auditorium and prayed to do so! Gloria's countenance revealed a great peace, joy, and relief from the burden of her sin debt being paid at Calvary. A huge blessing is that she lives very close to this church!! **Pray for one of my dad's colleagues whose dad is 94. The family needs prayer as there are some conflicts. This could be a gospel opportunity for my dad with the family as she knows that we are praying for this situation.**

I was at a gas station and a very kind man named Leonard was pumping gas near me. Leonard had Jewish beliefs, but may be very close to salvation. Before leaving, Leonard said himself that he would keep his heart open to the Holy Spirit's working! I believe that he said some of his relatives or friends are Christians, Please pray that the Holy Spirit would illuminate the Scriptures and that he would see that Jesus Christ is the only way to heaven! I gave him my email so he could contact me with questions or to let me know if he believes on Jesus as his Savior!

My neighbor Mike who had the aneurism is now back home and his daughter did not have any major injuries with her accident! Please pray that Mike and any unsaved family would be saved.

We are back to full time traveling now and have been presenting in more churches. We mentioned in our previous prayer letter that we reached our monthly support level, but now are raising additional support for the ministry as we wait for paperwork. We plan to continue traveling until about mid-November Lord willing if we get our paperwork process approved by then. Julianne has been doing very well! We are so thankful for His grace already in providing for all that we need to physically take care of her. Thank you so much for all the blankets, clothes, diapers, etc. and most importantly for all the prayers! God has shown Himself so gracious to us in taking care of us!! *Pray for...*

**Salvation of Leonard, Mike (and any relatives), family of dad's colleague, and salvation of Julianne at an early age
Paperwork to come in God's timing
